Dear Parents

NEWSLETTER TO PARENTS

END OF THIRD TERM 2025/2026 ACADEMIC SESSION

1. We are grateful to God for His sustenance throughout the Third Term of 2025/2026 Academic Session. We also wish to thank our dear parents for cooperating with the School to achieve its desired goals.

SCHOOL FEES

2. The school fees and other charges are to be paid to any **Zenith Bank Branch** into account number **1228370177** in favour of **Air Force Comprehensive School Kaduna** and printout be collected as evidence of payment. **No cash payment will be accepted in the School on resumption day.** Students must show evidence of full payment of fees at the gate before they will be allowed into the School premises on resumption day. **Parents are to note that the additional N2,000.00 collection for MSS/FCS/YCS was in line with HQ NAF endorsement as it was noted that the earlier charge by HQ NAF was grossly inadequate to cater for the needs of the worship centers in terms of payment of teachers.** Parents/guardians are kindly encouraged to note that any fee or money paid into the School Account will not be refunded. As such, parents are kindly advised to be extremely careful while making payment into the School Account.

DISCIPLINE

3. During the term, it has been observed with concern that some students' behaviour was not consistent with the School Rules and Regulations. Such students were sanctioned accordingly. Parents are therefore advised to remind their wards on the need to obey the School Rules and Regulations. The School will not tolerate any act of indiscipline from the students. Note also that celebrations of birthdays are not allowed in the School. Similarly, it is against the School rules for students to be in possession of contraband while in school. Any act of lawlessness by students will be sanctioned accordingly. Also, the School does not condone examination malpractice, as such parents are to advise their wards to be studious and never indulge in any form of examination malpractice. Parents are also encouraged to teach their children on how to take care of their personal belongings while in school as well as monitor their children's activities during the holidays.

MANDATORY ITEMS

4. **Parents are to ensure that their wards have all the mandatory items before returning to the School. Clearance will not be given to students with incomplete mandatory items on resumption.** Parents are to note that the collection of ₦5,000.00 for cleaning materials as part of mandatory items was based on their agreement as it was observed that so many parents evade bringing the items. Please, find the list of mandatory items at Annex A.

UNIFORMS

5. The School uniforms for the Junior and Senior students must be sewn according to the approved specifications. Uniforms/shoes must conform to the approved colour. Brown sandal is to be worn with compound and worship wears, while canvas with white socks is to be worn during sporting activities. Furthermore, we appeal to parents to ensure that their ward(s) adhere strictly to these instructions. Uniforms not sewn in line with the approved colour, style and specifications will be confiscated and the affected student(s) will be punished accordingly. It has been observed with concern that Christian girls' students wear short skirt for worship against HQ NAF approved specifications. Consequently, parents are to ensure Christian girls' worship skirts are sewn to ankle length in line with HQ NAF specification. Furthermore, it has been observed that Muslim girls' students wear cap scarf and different colours of hijab which is against HQ NAF dress code for them. Hence, they are to desist from that and ensure they adhere strictly to the approved design and colour of the hijab which covers up to their foreheads. This is to avoid indecent and adherence to HQ NAF approved dress code. Henceforth, any student caught with short skirt, cap scarf and different colour of uniform will be punished severely. Also, shoes not worn with appropriate dress code would be confiscated. In addition to the above, it has been observed with concern that students are fond of coming to school with mufti which they use to break bounds as well as indiscriminately wearing them against the school rules. Thus, parents are advised to

RESTRICTED

discourage their ward from coming into the school with mufti as failure to adhere to this directive will attract confiscation and severe sanctions.

On the other hand, the PTA meeting will commence between 11.00am to 1.00pm while Visiting Day activities will end by 5.00pm.

HOLIDAY ACTIVITIES

7. Parents are advised to engage their ward(s) in educative programmes during the vacation, particularly in English Language and Mathematics. Such programmes are necessary to occupy and prepare them for serious academic work next term. Parents should also ensure personal security of the children by not allowing them to go to unsafe places.

HEALTH MATTERS

8. Parents are advised to report any special medical needs of their wards as well as deposit all medications to the School Sick Bay on resumption.

SUBMISSION OF MTN SIM CARD

9. Parents of SS 3 are encouraged to get an MTN SIM Card for their wards and ensure it is being put to use in preparation for their external examination registration and subsequent submission in First Term 2026/2027 Academic session.

RE-SIT OF EXAMINATION BY SS2 SS 1 AND JSS 2

10. Following the release of JPE results by HQ NAF, some students were not able to credit their core subjects. Consequently, those students are to re-sit for those subjects in line with HQ NAF's directive. In addition, JSS 2 and SS 1 students promoted on trial are expected to also re-sit their core subjects they failed to obtained a credit.
